TOVALLE STUDIO / FICTIONAL BRAND GUIDELINES
Teaching example - version 2 - 31 October 2026

Start here
Use the RGB SVG for scalable screen artwork.
Use the transparent 512 x 512 PNG where a bitmap is required.
Edit the named shape groups in the source SVG with a vector editor.

Colour
Forest: #284f46. Clay: #c98865.
Keep the mark on a light background with clear space around it.
Do not stretch the mark or enlarge the PNG beyond its intended size.

Print
This package contains no CMYK or printer-ready exports.
Confirm colour profiles, dimensions and bleed with your printer.

Reuse
Original sample artwork and text may be reused; see LICENSE.txt.
Tovalle Studio is fictional. No client material or fonts are bundled.
Keep a backup after downloading; a delivery link is not an archive.
